BETWEEN:

AND:

STELKIA HOMEOWNERS CORPORATION, a company incorporated under the laws of British Columbia (Incorporation Number BC0894295) having an office at Suite 202, 45793 Luckakuck Way, Chilliwack, B.C. V2R 5S3

(the “**Homeowners Corporation**”)

AND:

JANE STELKIA, of Box 765, Oliver, British Columbia V0H 1T0

(the “**Landholder**”)

WHEREAS:

- A. The Lands leased under this Lease are part of the Osoyoos Indian Reserve No. 1, which are held for the use and benefit of the Osoyoos Indian Band.

- B. The Lands are in the lawful possession of the Landholder, who has applied to the Lessor for the Lands to be leased and consented to the terms of the Lease, as evidenced by the consent attached as Appendix “A” to this Lease.
- C. The Lessor is authorized to grant this Lease pursuant to subsection 58(3) of the *Indian Act*.
- D. The Council, on behalf of the Band, does not oppose the granting of a lease of the Lands, as evidenced by the band council resolution described in Appendix “B” to this Lease.
- E. The Lessee has applied to lease the Lands.
- F. The Lessee intends that the Lands will be used for a multi-use residential, recreational and commercial development.

NOW THEREFORE, with mutual consideration the Parties covenant and agree as follows:

1. INTENT & INTERPRETATION

1.1 Definitions

- 1.1.1 In this Lease, the terms defined in Schedule “A” have, unless otherwise specifically provided elsewhere in this Lease, the meanings ascribed them in that schedule.

1.2 Reference to Sections

- 1.2.1. Any reference in this Lease to an article, section, subsection, paragraph or clause will mean an article, section, subsection, paragraph or clause of this Lease unless otherwise expressly provided.

1.3 Headings

- 1.3.1. All headings in this Lease have been inserted as a matter of convenience and for reference only and in no way define, limit, enlarge, modify or explain the scope or meaning of the Lease or any of its provisions.

1.4 Plurality and Gender

- 1.4.1. Reference to a Party will be read as if all required changes in the singular and plural and all grammatical changes rendered necessary by gender had been made. All words in the singular will include the plural and vice-versa.

1.5 Joint and Several

- 1.5.1. If a Party is comprised of more than one Person then all covenants and agreements of that Party will be deemed joint and several.

1.6 All Terms are Covenants

- 1.6.1. All agreements, terms, conditions, covenants, provisions, duties and obligations to be performed or observed by the Lessee or the Lessor under this Lease will be deemed to be covenants.

1.7 Net Lease

- 1.7.1. This Lease is to be a completely carefree net lease for the Lessor and notwithstanding anything in this Lease to the contrary the Lessor is not to be responsible during the Term for any costs, charges, expenses or outlays of any nature whatsoever arising from or relating to the Premises, the use or occupancy of the Premises or the business carried on at the Premises.

1.8 Governing Law

- 1.8.1. This Lease will be governed by and interpreted in accordance with the applicable laws of Canada and of the Province of British Columbia.

1.9 Entire Agreement

- 1.9.1. This Lease constitutes the entire agreement between the Parties with respect to the subject matter of this Lease and supersedes and revokes all previous negotiations, arrangements, letters of intent, offers to lease and representations. No modifications of the Lease are effective unless in writing and executed in the same manner as the Lease.

1.10 Time is of the Essence

- 1.10.1. Time is of the essence in this Lease.

1.11 Severability

- 1.11.1. If any part of this Lease is declared or held invalid for any reason, the invalidity of that part will not affect the validity of the remainder which will continue in full force and effect and be construed as if this Lease had been executed without the invalid portion.

2. LANDS & MINERALS

2.1 The Demise

- 2.1.1. The Lessor leases to the Lessee, and the Lessee leases from the Lessor, the Lands to have and to hold the Lands during the Term, paying Rent to the Lessor during the Term and subject to the terms, conditions, provisos, exceptions and reservations contained in this Lease.

2.2 Minerals

- 2.2.1. The Lessor excepts and reserves from the demise all Minerals in, on or under the Lands and retains the right to enter the Premises to prospect and drill for and to work Minerals subject to reasonable notice being provided to the Lessee.

2.3 Compensation for Interference

- 2.3.1. The Lessor will determine and give a notice of compensation to the Lessee if any compensation is to be paid for interference with this Lease pursuant to section 2.2.

2.4 Lessee's Disagreement with Compensation

- 2.4.1. If the Lessee disagrees with the Lessor's decision as to whether to grant compensation, or the amount of compensation granted, pursuant to section 2.3 then the Lessee may, at its expense and within 60 days from delivery of the notice referred to in section 2.3, refer the matter to Federal Court pursuant to section 17 of the *Federal Court Act* for a review of the Lessor's determination. If the Lessee fails to refer the matter to Federal Court within the specified time then the determination or the compensation will be deemed to be that set out in the Lessor's notice.

3. USE OF PREMISES

3.1 Permitted Use

- 3.1.1. The Lessee will not use the Premises, or any part thereof, or suffer or permit the Premises, or any part thereof, to be used, for any purpose other than for the development, construction, occupation and operation of:
- (a) Single Family Dwellings and Common Facilities for residential, recreational and ancillary commercial purposes;
 - (b) private and commercial recreational vehicle, campground, and manufactured home sites;
 - (c) buildings or structures for tourist accommodation, restaurant, licensed establishment, tourist retail store, mini-storage units for use by Occupiers of Units and storage of their recreational vehicles including campers, boats and all-terrain vehicles;
 - (d) boat launch and slips and related facilities, it being acknowledged by the Lessee that the Lands do not extend past the high water mark of the Osoyoos Lake; and
 - (e) other ancillary buildings, improvements, facilities, structures and services associated with such a development, and all ancillary purposes ordinarily associated with such a mixed use development,

as set forth in an approved Development Plan. The Lessee represents and warrants that it has satisfied itself that the Lands are suitable for the intended uses and that those uses are within the scope of the permitted uses, and that those uses are subject to the Laws under section 8.1.

3.2 Licenses

3.2.1. The Lessee may during the Term grant licences over the Lessee's leasehold interest in the Premises which may be required in connection with the installation and maintenance of any service, utility or facility necessary for the Lessee to primarily service the Premises and may extend to adjoining lands, provided such adjoining lands are the subject of a valid lease to which the Lessee is a party. Such licences may be granted to any public utility or other entity providing the service, utility or facility, on terms and conditions acceptable to the Lessee, provided that the term of any such licence shall not extend beyond one day before the expiration of this Lease. Such licences shall be solely in respect of the leasehold interest in the Lands.

3.3 Common Facilities

3.3.1. The Lessee, in its sole discretion, may designate one or more of the Common Facilities as being used for a single or mixed residential, recreational and commercial purpose either for the benefit of the Sublessees or Occupants or the public. The Lessee may derive all or a portion of any ongoing net revenue from the operation thereof. The Common Facilities may be subleased to the Homeowners Corporation, subject to the provisions of section 6.2.

3.4 No Vacating or Abandoning

3.4.1. The Lessee will not Vacate or Abandon the Premises at any time during the Term without the prior written consent of the Lessor.

3.4.2. If the Premises are Vacated or Abandoned, the Lessor may:

- (a) enter the Premises as the agent of the Lessee, either by force or otherwise, without being liable for any loss or damage caused by such entry;
- (b) lease the Premises as the agent and at the risk of the Lessee; and
- (c) receive the rent for any lease.

3.4.3. Rent received by the Lessor as agent for the Lessee for any leasing may be applied by the Lessor to any expenses incurred by the Lessor in the entry and leasing of the Premises and to any other monies owing to the Lessor under this Lease in any proportions and in any order of priority as the Lessor decides.

3.4.4. The Lessor will not be construed as entering the Premises as agent of the Lessee if, prior to the entry, the Lessor has declared the Term ended.

3.5 Access

- 3.5.1. The Lessee acknowledges and agrees without limitation that the Lessee is solely responsible for securing access (be it by public or private road, water, air or otherwise) to and from the Premises.

3.6 Quiet Enjoyment

- 3.6.1. The Lessee, by paying the Rent and observing and performing the covenants in this Lease, may peaceably and quietly possess, hold and enjoy the Premises during the Term without any interruption or disturbance by the Lessor.

3.7 Other Interests

- 3.7.1. The Lessor hereby reserves the right to further charge the Lands, or any part thereof, by way of easement, right of way, or restrictive covenant in favour of any Authority provided that the easement, right of way or restrictive covenant does not unreasonably interfere with the uses permitted further to section 3.1, and the Lessee agrees, at the request of the Lessor, to expeditiously execute and deliver to the Lessor such instrument as may be necessary to subordinate the Lessee's right and interest in the Lands under this Lease to such charge.

3.8 Family Cemetery Site

- 3.8.1. The Lessee will:
- (a) preserve and protect the Family Cemetery during the construction of the Improvements and throughout the Term;
 - (b) subject to article 13 and 15, install and maintain fencing around the perimeter of the Family Cemetery, such fencing to be consistent with the type and visual appeal of the Premises, and undertake such road construction or repair work as may be necessary to facilitate access to the Family Cemetery; and
 - (c) permit Jane Stelkia, the current Landholder, her family descendants, successors, assigns, and invitees access to the Family Cemetery, including future burials.

4. RENT

4.1 Rent to be Paid

- 4.1.1. The Lessee will pay the Lessor (in favour of the Receiver General for Canada) all Rent due under this Lease at the time and in the manner set out in this Lease in lawful money of Canada, without abatement, deductions, set-off, or prior demand.

4.2 Prepaid Rent

- 4.2.1. On or before the Commencement Date, the Lessee will pay \$100.00 to the Lessor as Prepaid Rent.

4.3 Payment Over to the Landholder

4.3.1. The Lessee acknowledges and agrees that:

- (a) any Rent paid to the Lessor will have been paid over to the benefit of the Landholder and will not be available to be refunded to the Lessee;
- (b) the Lessee will have no right to a refund of, and the Lessor will not be liable to the Lessee for refunding, any Rent in the event of termination of this Lease; and
- (c) the Lessee accepts this liability as its own.

4.4 Additional Rent

4.4.1. Upon notice from the Lessor, the Lessee will promptly pay the Lessor for any damage, loss, or expense of the Lessor (together with an administration fee of 15% of the damage, loss or expense) because of a breach of any of the Lessee's covenants in this Lease.

4.4.2. Any amount payable by the Lessee under this section may be recovered by the Lessor as if the amount was rent in arrears.

4.4.3. This section survives the expiration or early termination of this Lease.

4.5 Arrears to Bear Interest

4.5.1. If Rent is not paid when it is due, then the Lessee will pay interest on the unpaid amount from the due date until the payment date. Interest is at the then prevailing minimum rate at which the Bank of Canada makes short-term advances to banks, plus 7%.

4.6 Harmonized Sales Tax

4.6.1. Along with the Prepaid Rent, the Lessee will pay all applicable HST on the Prepaid Rent.

5. RECORDS

5.1 Lessee to Retain Documents

5.1.1. The Lessee will retain all documents or records pertaining to any expenditure made by or on behalf of the Lessee with respect to the Premises for five years after the end of the year in which the expenditure was made.

5.2 Lessee to Deliver Documents

- 5.2.1. The Lessee will, upon written request by the Lessor and within 15 days of such request in the case of documents or records of the Lessee and within 30 days of such request in the case of documents or records of any other Person, deliver to the Lessor copies of such documents or records required to be retained pursuant to section 5.1 as the Lessor requires.

6. ASSIGNMENTS, SUBLEASES & MORTGAGES

6.1 Assignments

- 6.1.1. Except as provided in subsection 6.1.3, the Lessee will not assign the whole or any part of its interest in this Lease without the prior written consent of the Lessor, which consent shall not be unreasonably withheld.
- 6.1.2. No assignment is valid until the proposed assignee has executed a written agreement (substantially in the form set out in Appendix "C") covenanting and agreeing with the Lessor that, upon the Lessor's consent to the assignment, the assignee will observe and perform all of the conditions, covenants and agreements to be observed or performed by the Lessee under this Lease and any further conditions, covenants and agreements that the Lessor considers advisable.
- 6.1.3. For the purposes of section 6.1, if by the sale or other disposition of the securities of the Lessee (where the Lessee is a limited partnership, for the purposes of this subsection 6.1.3 only, any reference to the Lessee shall be deemed to be a reference only to the general partner of such limited partnership) the control (being beneficial ownership of greater than fifty percent (50%) of the voting shares of any class of shares of such corporation) of the Lessee (or the general partner) would change, the change of control shall constitute an assignment. Notwithstanding the foregoing, a change of control arising by death, permanent disability or bankruptcy of a shareholder, shall not constitute an assignment for the purposes of section 6.1.

6.2 Subleases

- 6.2.1. Except as provided in section 6.3, the Lessee will not sublet the Premises without the prior written consent, in substantially the form as set out in Appendix "D" to this Lease, of the Lessor, which consent will not be unreasonably withheld.
- 6.2.2. A sublease is not valid unless:
- (a) it ends before the last day of the Term;
 - (b) it expressly terminates upon the early termination of this Lease
 - (c) it is expressly subject and subordinate to this Lease and to the rights of the Lessor under this Lease;

- (d) it is consistent with the terms of this Lease and will not cause the Lessee to breach a term of this Lease;
- (e) it will provide that in the event of conflict between the terms of this Lease and the sublease the terms of this Lease will govern;
- (f) it is registered in the Registry;
- (g) it provides that each Sublessee will be the registered holder of one share in the capital of the Homeowners Corporation. When the initial Sublease for part of the Premises is issued, a share in the Homeowners Corporation will be issued or transferred to the Sublessee. When a Sublessee assigns a Sublease, the Sublessee must concurrently transfer the share in the Homeowners Corporation, issued in respect of the Sublease, to the assignee of the Sublease;
- (h) it expressly provides that the Sublessee will not in any way use the subleased portion of the Premises for a Project that has not been previously considered and expressed in the Minister's decision under the CEAA completed with respect to the Lease, until the Sublessee, at its own expense, has obtained consent from the Minister to proceed with such Project, such consent to be granted in compliance with the environmental review process set out in subsections 6.2.3 - 6.2.5; and
- (i) it expressly provides that the Lessor and the Lessor's officials, employees, servants, agents, contractors, and subcontractors may enter the subleased lands at any time during reasonable hours for the purpose of ensuring the implementation referred to in subsection 6.2.6.

6.2.3. Before seeking the Lessor's consent under paragraph 6.2.2(h), the Lessee will:

- (a) ensure that an environmental assessment is conducted of any Project proposed to be undertaken under a sublease; and
- (b) deliver to the Lessor a written report of the environmental assessment referred to in paragraph (a).

6.2.4. If the Lessor is not satisfied, acting reasonably, with the environmental assessment report referred to in subsection 6.2.3, the Lessor will identify each inadequacy in the report. The Lessee will ensure that each inadequacy is addressed to the satisfaction of the Lessor in a revised report to be submitted to the Lessor.

6.2.5. The environmental review process conducted under this section will be equivalent to a screening under CEAA as if the Minister were the "responsible authority," as that term is used in CEAA, for the purposes of the Project and the sublease.

6.2.6. The Lessee will, at its own expense, ensure the implementation of:

- (a) all mitigation measures identified in the final environmental assessment report referred to in subsections 6.2.3 and 6.2.4; and

(b) any Follow-up Program.

- 6.2.7. If the Minister determines under this section that the Project should not proceed, then the Lessor is in no way responsible to the Lessee or Sublessee for the inability of the Sublessee to use the Premises as anticipated, or otherwise, or for the Lessee to sublease to the Sublessee, or otherwise. The Lessee releases the Lessor from any such liability.
- 6.2.8. The environmental review process conducted under this section will be followed whether or not CEAA has any application to the granting of the sublease, or consent to the sublease or Project; however, if CEAA applies to the Project for any reason other than the granting of the sublease, or the Lessor's consent to the sublease or Project, then paragraphs 6.2.2(h) and 6.2.2(i) and subsections 6.2.3 to 6.2.7 do not apply.

6.3 Mortgages

- 6.3.1. The Lessee will not grant a Mortgage of the whole or any part of its interest in this Lease, and the Mortgage will not be valid, without the prior written consent of the Lessor, which consent will:
- (a) not be unreasonably withheld; and
 - (b) be by way of agreement with the Mortgagee, substantially the same as that set out in Appendix "E".
- 6.3.2. The Lessee will ensure that the Mortgage does not conflict with the Lease or, by the Lessee complying with the Mortgage, cause the Lessee to breach the Lease.
- 6.3.3. The Lessee will ensure that the Mortgage provides that the proceeds of all Insurance will be used solely for repairing, replacing, restoring, or reconstructing the Premises as set out in section 18.4.
- 6.3.4. The Lessor may consider a breach of the Mortgage Consent Agreement to be a breach of this Lease.
- 6.3.5. If the Lessee defaults on any obligation, covenant, or agreement in a Mortgage, then the Lessor may:
- (a) consider a breach of this Lease to have occurred; or
 - (b) cure the default on the Lessee's behalf, and in such case, without limiting section 4.4, the Lessor's expenses for which are Additional Rent.
- 6.3.6. For greater certainty, a Sublessee may mortgage its interest in a sublease without the consent of the Lessor.

6.4 Consent Limited

- 6.4.1. Consent to any assignment, sublease or Mortgage will not be construed as consent to any other assignment, sublease or Mortgage.

6.5 No Relief of Obligations

- 6.5.1. The assignment, sublease or mortgage of the Lessee's interest in this Lease by the Lessee will not relieve or discharge the Lessee from any of its obligations or liabilities under this Lease.

6.6 No Consents to Assignment, Sublease or Mortgage Granted pending Notice

- 6.6.1. The Lessor may unreasonably and arbitrarily withhold consent to a proposed assignment, sublease or mortgage of the whole or any part of the Lands, and the Lessee shall:

- (i) not construct any Improvements on the Lands, and
- (ii) not seek to assign, sublease, or mortgage the whole or any part of its interest in this Lease or the Lands,

until the Landholder and the Lessee provide a mutually executed notice substantially in the form attached as Schedule "E" to the Lessor that the terms of the Landholder and Lessee's agreement, dated September 22, 2009, to which the Lessor is not a party, have been satisfied, following which the Lessee may seek to construct Improvements on the Lands, pending satisfaction of Articles 13 and 15 of the Lease and such other terms of the Lease as are applicable, and may seek the assignment, sublease or mortgage of the whole or any part of the Lands from the date specified in the notice.

- 6.6.2. The enforcement, and associated possible costs, of subsection 6.6.1 lies exclusively and respectively with the Landholder and the Lessee, and the parties agree that the Lessor is not bound to seek enforcement of or compel the completion of any mutually executed notice referenced in this section, the responsibility of which lies solely with the Landholder and the Lessee.
- 6.6.3. In the event the Lessor is not in receipt of the mutual notice referenced in subsection 6.6.1 by December 3, 2013, the Lessor will issue a notice to the Lessee declaring the Lease terminated effective immediately. The Lessee will remain liable for any obligations of the Lessee that survive termination of this Lease.

7. CONSENT AND REGISTRATION

7.1 Provide Four Copies

- 7.1.1. The Lessee will submit for registration to the Registry, in a form acceptable to the Registry, four originally executed copies of every document referred to in article 6, to which the Lessor is required to consent.

7.2 Consent No Assurance

- 7.2.1. Neither the Lessor's consent to any disposition of the leasehold nor anything contained in this Lease will constitute any assurance to anyone that:
- (a) the instrument being consented to will be registered in the Registry, and the consent will not relieve the Lessee from the obligation to provide the form of document required for registration;
 - (b) this Lease or any assignment, sublease, Mortgage or other disposition of the leasehold can or may be registered in the Registry.

- 10.2.1. The interruption of any service or facility provided to the Premises will not:
- (a) be a disturbance of the Lessee's enjoyment of the Premises;
 - (b) render the Lessor liable for any loss, injury, or damages to the Lessee; or
 - (c) relieve the Parties from their obligations under this Lease.

11. ENVIRONMENT

11.1 Contaminants

- 11.1.1. The Lessee will not use (including transport or store) Contaminants on the Premises, except as may be reasonably required for the Lessee's permitted uses under this Lease and in strict compliance with Laws.

11.2 Use of Contaminants on the Premises

11.2.1. If the Premises is exposed to a Contaminant, then, upon becoming aware of the exposure, the Lessee must do the following:

- (a) The Lessee must promptly give each of the Lessor, and Council the same information about the exposure that would be required under the *Spill Reporting Regulation*, B.C. Reg 263/90, for any similar exposure off- reserve or for any exposure to a Contaminant that is not covered by that Regulation and is:
 - (i) a “dangerous good” under the *Transportation of Dangerous Goods Act*, 1992, S.C. 1992, c. 34;
 - (ii) a “deleterious substance” under the *Fisheries Act*, R.S.C. 1985, c. F-14, if the affected area is subject to the authority of that Act; or
 - (iii) a “toxic substance” under the *Canadian Environmental Protection Act*, 1999, S.C. 1999, c. 33.

- (c) The Lessee must promptly give the Lessor an independently-prepared report (which must be reasonably satisfactory to the Lessor) of the activities under paragraph 11.2.1(a) and the condition of the affected areas after those activities compared with, to the extent reasonably possible, the condition of those areas before exposure to the Contaminant.

11.3 Increased Risks

11.3.1. The Lessee will not cause any operations or activities or construct any Improvements that materially increase the risk of liability to the Lessor (whether direct or indirect) as a result of the application of Laws (as determined by the Lessor acting reasonably).

11.4 Title to Contaminants

11.4.1. Despite anything else in this Lease or any rule of law to the contrary, any Contaminant coming on the Premises during the Term does not, no matter its degree of affixation, become the property of the Lessor.

11.5.1. Without limiting article 20, upon:

- (a) the breach by the Lessee of any provision contained in this article; or
- (b) the Lessor becoming aware of a breach of Laws with respect to the Premises or the presence of any Contaminants on, in or under the Premises which is not present in strict compliance with Laws and which raises a material risk of liability to the Lessor, as determined by the Lessor;

Without limiting the generality of article 23, on written notice being given by the Lessor, the Lessee must promptly pay the Lessor for any losses or expenses (including legal fees on a solicitor-client basis) of the Lessor and its employees, agents, contractors, and subcontractors in any way because of:

11.7.2. In preparing the reports referred to in this section, the environmental consultant was, or will be, as the case may be, required to review the site history and inspect the Premises to identify indicators of Contaminants and to conduct appropriate testing to assess suspect soil and, if practical, water. In identifying indicators, the consultant relied, or will rely, as the case may be, at least on historical information and instances of visually apparent unusual soil, water, or vegetation conditions.

- 11.7.3. The reports referred to in this section will be *prima facie* evidence between the Parties of the respective environmental condition of the Premises immediately prior to the Commencement Date and at the termination of this Lease, as the case may be.
- 11.7.4. When this Lease ends, the Lessee must remove from the Premises all Contaminants so that any that remain are at or below the more stringent of the Environmental Benchmarks. This obligation does not apply to the extent that a Contaminant is proven to have been on the Premises at the Commencement Date (taking into account that it is the Lessee's obligation to prove its existence to be able to rely on this exemption).

11.8 Representations and Warranties of the Lessee

- 11.8.1. The Lessee represents that the Lessee, all Affiliates, and their respective directors or senior officers have never been prosecuted for any offences, or received any administrative penalties or orders, under any Laws that in any way regulate Contaminants or protect the Environment.

- 13.3.3. In determining whether to provide consent pursuant to subsection 13.3.1, the Lessor will notify the Lessee if the Lessor requires any amendments or revisions to the Development Plan submitted. The Lessee will then amend or revise the Development Plan and re-submit it to the Lessor for further review under this article. Consent of the Lessor does not relieve the Lessee of any other covenants under this Lease.

13.7 Occupancy

13.7.1. The Improvements or the part thereof intended for use or occupation may not be occupied by any Person until they have been Substantially Completed, and the occupation of them prior to the Lessor receiving the certificate referred to in section 13.6 may be considered by the Lessor to be a breach of a covenant of this Lease. It is acknowledged that the Improvements and Units are to be constructed in phases and that Substantial Completion and occupation will occur in respect of individual phases of the Improvements and individual Units.

13.8 Additional Documents

13.8.1. Upon completion of construction of the Improvements and if requested by the Lessor, the Lessee will expeditiously provide the Lessor with:

If the Remainder Lands are not developed substantially in the manner contemplated by the Development Plan, sharing of such costs shall be on a fair and equitable basis, based on the use of such Common Facilities. Any dispute over the sharing of such costs may be referred for dispute resolution in accordance with article 26.

14. MAINTENANCE

14.1 Maintenance

- 14.1.1. The Lessee will, at its expense, during the Term maintain or cause to be maintained from time to time all Improvements in a good and tenantable condition in every respect as would a careful owner in occupation, excepting reasonable wear and tear.

16. REPLACEMENT ON DESTRUCTION

16.1 Rent will not Abate

- 16.1.1. The destruction, in whole or in part, of the Improvements by any means will not cause this Lease to terminate or entitle the Lessee to surrender possession or demand any abatement or reduction of the Rent.

16.2 Lessee's Obligations When Improvements Partially Destroyed

- 16.2.1. In the event of damage to or partial destruction of the Improvements, the Lessee will, subject to applicable Laws, repair, replace, or restore any part of the Improvements so destroyed.

18.2 Insurance Provisions

18.2.1. The Lessee covenants and agrees that every insurance policy required under this Lease will:

- (a) name the Lessor as an additional insured, or, to the extent such insurance is obtained by a Sublessee, name the Lessee as an additional insured;

- (b) contain an agreement by the insurer that it will not cancel or substantially alter the policy without first giving the Lessor at least 30 days' prior written notice;
- (c) contain a clause to the effect that any release from liability entered into by the Lessee prior to any loss will not affect the right of the Lessee or Lessor to recover;
- (d) if any insurance policy contains a co-insurance provision, then the Lessee will at all times maintain sufficient insurance to prevent the Lessor and the Lessee from being co-insurers and permit full recovery from the insurer, and the insurance will contain a waiver of subrogation so that the insurance will protect the Lessor and the Lessee as if they were fully insured under separate policies;
- (e) the Lessee will not do, permit or suffer anything to be done at the Premises which might cause any insurance policy required by this Lease to be invalidated or cancelled;
- (f) the Lessee will deliver certificates of the insurance evidencing every insurance policy that is required by this Lease to the Lessor immediately after the insurance is effected and will deliver a certificate of renewal or other evidence satisfactory to the Lessor that the insurance has been renewed or replaced to the Lessor at least ten days before the expiry of any insurance policy in force; and
- (g) the Lessee will, upon written request from the Lessor, deliver a certified copy of every insurance policy requested by the Lessor.

18.3 Release from Liability

- 18.3.1. The Lessee releases the Lessor from all liability for loss or damage caused by or resulting from any of the perils or injury against which it has covenanted in this Lease to insure, even though the loss, damage or injury may arise out of the negligence or omission of the Lessor and even though the Lessee has failed to so insure.

18.4 Payment of Loss Under Insurance

- 18.4.1. The Lessor and the Lessee covenant and agree as follows with respect to the use of insurance proceeds:
- (a) all proceeds from insurance policies shall be applied to the repair, replacement, reconstruction or restoration of the property damage for which such proceeds have become payable. Any such repair, replacement, reconstruction or restoration shall be carried out so as to repair, replace, reconstruct or restore the Premises to the same condition as the Lessee is required to maintain the same pursuant to this Lease immediately prior to such damage or destruction. All repair, replacement, reconstruction and restoration shall be completed in accordance with this Lease, and the Lessee will be responsible for the repair,

replacement, reconstruction and restoration of the Premises whether or not the cost of such work exceeds the insurance proceeds;

- (b) if the Lessor and the Mortgagee have consented in writing to the payment of insurance proceeds to the Lessee, then the proceeds shall be paid to the Lessee in trust to apply to the costs of repairing, replacing, reconstructing and restoring the Premises, and the Lessee will be responsible for the repair, replacement, reconstruction and restoration of the Premises whether or not such work exceeds the insurance proceeds;
- (c) if the Lessor or the Mortgagee do not consent to the payment of the insurance proceeds to the Lessee pursuant to subsection (b), then the insurance proceeds shall be paid to the Trustee, to be held and disbursed on behalf of the Lessee, the Lessor and the Mortgagee, subject to the following conditions:
 - (i) all such parties shall do all acts, matters, deeds and things as are necessary to facilitate the payment of the insurance proceeds to the Trustee;
 - (ii) work in progress will be paid for in instalments out of the insurance proceeds, provided that the Trustee at all times will retain a sufficient sum out of the insurance proceeds to pay for the estimated cost of the remaining work to be completed and any Trustee fees and costs to be paid;
 - (iii) progress payments will only be made to the Lessee upon submission by the Lessee to the Lessor of a statement, certified by a professional engineer or architect licensed to practice in British Columbia, attaching the invoices for work to be covered by the progress payment and setting out the work completed to date, the cost of the work completed to date, the amount owing on work completed to date and the estimated amount required to complete the work, and verifying the standard and quality of the work already completed; and
 - (iv) the Lessee will pay and be responsible for all costs, fees and expenses in excess of the insurance proceeds.

18.4.2. Notwithstanding the foregoing, insurance proceeds in respect of Personal Goods do not have to be paid to the Trustee.

18.5 Lessor's Right to Repair and Receive the Insurance Proceeds

18.5.1. Should the Lessee fail to effect the repair, restoration, reconstruction, or replacement (as set out in article 16) of the loss or damage in respect of which the insurance moneys are payable without unreasonable delay, the Lessor will be entitled to effect such repair, restoration, reconstruction, or replacement and the Trustee will pay or cause to be paid to the Lessor such insurance moneys in the same manner the Trustee would have done had the Lessee effected such repair, restoration, reconstruction, or

replacement. Should the Lessee and the Lessor fail to effect such repair, restoration, reconstruction or replacement without unreasonable delay, the Mortgagee will be entitled to do so, and the Trustee will pay or cause to be paid to the Mortgagee such insurance moneys in the same manner the Trustee would have done had the Lessee effected such repair, restoration, reconstruction or replacement.

18.6 Insurance May be Maintained by Lessor

18.6.1. The Lessee agrees that should the Lessee at any time during the Term fail to insure or keep insured the Improvements as required by this Lease, then the Lessor, although not obliged to do so, may obtain and maintain such insurance in such amount with such deductible amounts and for such period as the Lessor deems advisable. The Lessee covenants to pay to the Lessor as Additional Rent within 30 days after receipt of any invoice from the Lessor such amounts as the Lessor has expended for such insurance.

18.7 Impossibility of Repair etc.

18.7.1. If the Lessee, the Lessor or the Mortgagee, as the case may be, cannot obtain the permits, approvals, consents and authorizations that are required, pursuant to the terms of this Lease, to restore, reconstruct or replace the loss or damage in respect of which the insurance moneys are payable, without unreasonable delay, the insurance proceeds shall be used as follows:

- (a) firstly, for the purposes of clean-up of the Lands to restore the Lands, to the extent possible, to their condition at the Commencement Date;
- (b) secondly, to the extent of the portion of the insurance proceeds attributable to the Improvements subleased pursuant to a Sublease, to the Sublease Mortgagee and the Sublessee of such Sublease, as their interests may appear;
- (c) thirdly, to the Mortgagee to the extent of any amounts secured by the Mortgage; and
- (d) fourthly, to the Lessee and the Lessor, as their respective interests appear.

18.8 Insured Mortgage

18.8.1. Notwithstanding the foregoing, if a Mortgage insurer shall have granted or insured a mortgage of a Sublease, and the premises subleased thereunder are destroyed to at least 25% of the full replacement cost, the Mortgagee shall have the option of determining whether such premises should or should not be repaired, replaced, rebuilt or restored.

19. INSOLVENCY

19.1.1. If the Lessee becomes insolvent, bankrupt, makes an assignment for the benefit of creditors, or, if it is a corporation, proceedings are begun to wind it up or a receiver, receiver-manager or trustee has been appointed, more than 50% of the voting shares of

the Lessee (or its general partner if it is a limited partnership) change ownership from the ownership at the Commencement Date without the Lessor's prior written consent, then:

- (a) if no Subleases are registered in the Registry, the Lessor may, upon 45 days prior written notice to the Lessee and any Mortgagee, declare the Term ended unless within the notice period such Mortgagee proceeds to enforce its Mortgage security and, as expeditiously as possible, takes all such legal measures as are necessary to obtain the requisite relief. If in the enforcement of the Mortgagee's security the Mortgagee, or its nominee, acquires the Lessee's interest in this Lease, then the default under this article 19 in respect of the Lessee shall be deemed, for all purposes, to be cured and on the assignment of the Lease by the Mortgagee or its nominee, the Mortgagee and its nominee shall be fully relieved of all covenants, obligations, conditions and liabilities in the Lease arising or coming due on or after such assignment. If in the enforcement of the Mortgagee's security the Lease is assigned, then on such assignment the default under this article 19 in respect of the Lessee shall be deemed, for all purposes, to be cured; and
- (b) if one or more Subleases are registered in the Registry, the provisions of article 20 shall apply in respect of the Severed Phases and on completion of the actions contemplated in sections 20.9 and 20.10 the default under this article 19 in respect of the Lessee shall be deemed, for all purposes, to be cured.

The provisions of this article 19 are subject to applicable federal and provincial legislation, including, without limitation, applicable provisions in the *Bankruptcy and Insolvency Act* and the *Companies Creditors Arrangement Acts*.

20. DEFAULT AND END OF LEASE

20.1 Defaults Requiring Notice to Cancel

- 20.1.1. If the Lessee fails to perform or observe any covenant, or is otherwise in default under this Lease, then the Lessor may deliver a default notice to the Lessee.
- 20.1.2. If the Lessor delivers a default notice to the Lessee under this section and the default is reasonably capable of being cured within 30 days after the notice is delivered but the default is not cured within that time, then the Lessor may, by notice to the Lessee and subject to sections 20.2, 20.3, 20.10 and 20.11 immediately declare the Term ended.
- 20.1.3. If the Lessor delivers a default notice to the Lessee under this section and the default is not reasonably capable of being cured within 30 days after the notice is delivered and the Lessee fails to:
 - (a) begin to cure the default promptly after the notice is delivered; or
 - (b) proceed to cure the default with all due diligence to completion,

then the Lessor may, by notice to the Lessee and subject to sections 20.2, 20.3, 20.10 and 20.11 immediately declare the Term ended.

20.1.4. If the Lessor delivers a default notice to the Lessee under this section and the default is not cured within the time permitted, then, without relieving the Lessee of its covenants under this Lease and without limiting any other right of the Lessor, the Lessor may undertake the performance of any necessary work in order to complete such covenants of the Lessee. However, having commenced any work under this section, the Lessor has no obligation to complete such work.

20.1.5. Without limiting section 4.4, the Lessor's expenses under this section are Additional Rent. This subsection survives the expiration or earlier termination of this Lease.

20.2 Right of Mortgagee, Homeowners Corporation to Notice

20.2.1. No notice to the Lessee under this article will be valid unless and until a copy of such notice is also delivered to each Mortgagee and to the Homeowners Corporation.

20.3 Curing of Default

20.3.1. Any curing of a default by a Person other than the Lessee will be construed as a curing of that default by the Lessee.

20.4 End of Lease

20.4.1. If the Lessor declares the Term ended, then, except as otherwise expressly provided in this Lease, this Lease and everything contained in it and the estate and Term will terminate without re-entry or any other act or legal proceedings and the Lessor may re-enter the Premises and possess and enjoy them as if the Lease had not been made. Notwithstanding a declaration by the Lessor that the Term has ended, the Lessor will be entitled to recover from the Lessee:

- (a) the Rent then accrued or accruing;
- (b) all prospective losses and damages arising from the unexpired portion of the Term (had the Lease not ended) based on a present recovery for unpaid future Rent, and for any other consequential loss or damage, including losses incurred by or accruing to the Lessor arising from the Lessee's failure to carry on business; and
- (c) any other amounts allowed by law,

and enforce any right of action (including a right of action under any provisions that survive the expiration or earlier termination of this Lease) against the Lessee in respect of any prior breach of the Lessee's covenants.

20.5 Dispute

- 20.5.1. If any disagreement arises as to whether the curing of any default is promptly commenced or is prosecuted with due diligence, the question may be referred to the Federal Court in accordance with article 26.

20.6 Right to Cure

- 20.6.1. If the Lessor gives the Lessee notice of a breach of any of the Lessee's obligations and such breach is not fully rectified within 60 days, then the Lessor, without relieving the Lessee of its obligations under this Lease and without limiting any other right of the Lessor, may undertake the performance of any necessary work in order to complete such obligations of the Lessee, but having commenced such work, the Lessor will have no obligation to the Lessee to complete such work. All of the Lessor's costs and expenses of such performance will be Additional Rent expeditiously payable by the Lessee upon the Lessor delivering notice of its costs.

20.7 Access to Inspect and Perform

- 20.7.1. The Lessee will provide the Lessor and the Lessor's officials, employees, servants, agents, contractors, and subcontractors convenient access by any means to the Premises at all reasonable times for the purposes of:
- (a) viewing the Premises;
 - (b) conducting any test or investigation that the Lessor considers necessary to determine that the Lessee's covenants are being met;
 - (c) determining the presence of Contaminants on the Premises; or
 - (d) performing any of the Lessee's covenants as provided for in this Lease.
 - (e) This right of access requires reasonable notice to the Lessee, except in the case of an emergency, when no notice is required.
- 20.7.2. Without limiting section 4.4, the Lessor's expenses under this section are Additional Rent.

20.8 Right to Let

- 20.8.1. If the Premises are Vacated or Abandoned, the Lessor will have the right, at the Lessor's option:
- (a) to enter the Premises as the agent of the Lessee either by force or otherwise without being liable for any action or for any loss or damage caused by the entry or the use of force,
 - (b) to let the Premises as the agent and at the risk of the Lessee, and
 - (c) to receive the rent for any letting.

20.8.2. Rent received by the Lessor as agent for the Lessee for any letting may be applied by the Lessor to any expenses incurred by the Lessor in the entry of the Premises and in the letting and to any other monies owing to the Lessor under this Lease in such proportions and in such order of priority as the Lessor may decide.

20.8.3. The Lessor will not be construed as entering the Premises as agent of the Lessee if, prior to the entry, the Lessor has declared the Term ended.

20.9 Remedies Cumulative

20.9.1. All rights and remedies of the Lessor are cumulative and are in addition to and do not exclude any other right or remedy provided in this Lease or otherwise allowed by law. All rights and remedies of the Lessor may be exercised concurrently.

20.10 Protection of Sublease/Mortgage

20.10.1. If the Lessor is entitled to declare the Term ended and cancel the Lease and the following conditions are met:

- (a) one or more Subleases of lands in a Phase are registered in the Registry;
- (b) there are no defaults under the Lease with respect to the lands in the Severed Phases or any defaults that may have existed have been remedied or are in the process of being remedied as required by sections 20.1 to 20.5 inclusive, to the extent that the defaults are capable of being remedied;
- (c) the Homeowners Corporation has been incorporated under the laws of British Columbia and in respect of each Sublease of the Severed Phases, one share of the Homeowners Corporation is issued to the Sublessee of such Sublease;
- (d) the Homeowners Corporation exists and is in good standing with respect to filing annual returns required by its governing corporate legislation; and
- (e) the Severed Phases collectively are capable of being accessed or serviced for utilities and services, including water, gas, telephone, light, power, sewer and garbage disposal, independently from the remainder of the Lands,

the Lessor will not declare the Term ended and will send a notice to the Lessee and send a copy of the notice to any Mortgagee and the Homeowners Corporation stating that the provisions of subsection 20.10.2 apply.

20.10.2. If the Lessor sends a notice under subsection 20.10.1 then

- (a) the Lease will be modified to become two separate amended and restated leases to be granted by the Lessor comprising of:
 - (i) the Severed Phases Lease; and
 - (ii) the Remainder Lands Lease;

- (b) the Lessee will assign the Severed Phases Lease for the unexpired term to the Homeowners Corporation and the Homeowners Corporation will accept such assignment; and
 - (c) the Lessor and the Homeowners Corporation will enter into a Consent to an Assignment of Lease as set out in Appendix "C".
- 20.10.3. On a Severed Phases Assignment, the Lessee will forward the instrument of assignment to the Homeowners Corporation for execution and the Homeowners Corporation will execute the assignment.
- 20.10.4. On a Severed Phases Assignment, each Mortgage that is registered against the Lease at the time of the assignment will remain registered in the Registry in the same priority against the Severed Phases Lease and against the Remainder Lands Lease.
- 20.10.5. Concurrently with and as a condition of a Severed Phases Assignment, for each Incomplete Unit, the Homeowners Corporation will:
- (a) if there is a Mortgage registered against the Severed Phases Lease, grant the Mortgagee (or its nominee) a prepaid sublease of each Incomplete Unit, at no cost;
 - (b) if there is no such Mortgage registered against the Severed Phases Lease grant the Landholder (or her nominee) a prepaid sublease of each Incomplete Unit, at no cost,
- (such subleases to be on substantially the same terms and conditions as the Subleases previously granted for that Phase), and the Homeowners Corporation will consent to the assignment of any such sublease by the Mortgagee, Landholder or nominee, as the case may be, provided any proceeds derived by the Mortgagee from the sublease or assignment thereof will be applied to the amount owing pursuant to the Mortgage including, without limitation, all costs incurred by the Mortgagee in maintaining Units, selling Units and performing covenants of the Lessee or Homeowners Corporation under the Lease or Severed Phases Lease, the Mortgagee's protective disbursements and costs of completing the development on the Lands, and thereafter any balance shall be paid to the Lessor or, with the Lessor's consent, the Landholder.
- 20.10.6. If soil or other substance has been placed in or upon the Remainder Lands by or on behalf of the Lessee and has not been removed, then upon the Severed Phases Assignment, the Homeowners Corporation will forthwith remove it or take such other remediation measures as are required by the Lessor, or both, at the sole expense of the Homeowners Corporation.
- 20.10.7. Notwithstanding the foregoing, the defaults referred to in subsection 20.1.1 as defaults that are in the process of being remedied as required by sections 20.1 to 20.5 inclusive will be construed to the extent they apply to the Severed Phases as defaults under the Severed Phases Lease and if these defaults are not remedied as required by the equivalent of article 20 of this Lease in the Severed Phases Lease then, after expiry of

the notice and cure periods in the Severed Phases Lease equivalent to those in section 20.1 of this Lease, the Lessor may declare the Term ended and cancel the Severed Phases Lease.

20.11 Protection to Mortgagee

- 20.11.1. If there is a Mortgage, and if the Lessor is entitled to declare the Term ended and cancel this Lease then, in respect of the Remainder Lands if the Mortgagee has cured the default in respect of the Remainder Lands pursuant to the Remainder Lands Lease in accordance with subsection 20.1.2 or is curing the default in accordance with subsection 20.1.3, the Lessor will not declare the Term ended or cancel the Remainder Lands Lease.
- 20.11.2. If the Severed Phases Assignment is not executed and registered as contemplated in this Lease, the Severed Phases Lease shall continue and any Mortgagee of the Severed Phases Lease will be given notices of default pursuant to section 20.1.1 and afforded the rights to cure pursuant to subsections 20.1.2 and 20.1.3, in respect of the Severed Phases Lease.

20.12 No disturbance of Sublessee

- 20.12.1. Subject to subsection 20.10.7 it is hereby provided, and notwithstanding anything else to the contrary herein, Sublessees and the Homeowners Corporation may peaceably and quietly possess, hold and enjoy the lands and premises demised to them pursuant to their respective Subleases, and the Common Facilities, during the Term and their Sublease term without interruption or disturbance by the Lessor, or anyone claiming under it, despite any default by the Lessee of its obligations hereunder.

20.13 Lessor's Rights

- 20.13.1. The Lessor's rights and remedies under the Remainder Lands Lease if a default is not cured or being cured pursuant to section 20.11, shall continue in full force and effect.

20.14 Lessor authorized to execute Assignment of Lease

- 20.14.1. If the Lessee refuses, neglects or fails to execute in registrable form, and deliver to the Homeowners Corporation, the Severed Phases Assignment as provided in subsection 20.10.2 within 10 days of the notice under subsection 20.10.1, the Lessor is irrevocably authorized for and on behalf of the Lessee to execute and deliver the Severed Phases Assignment and such other documents as are required (if any) to be executed and delivered by the Lessee to give effect to the provisions of subsection 20.10.2. In addition, the Lessor may cause to be prepared, and filed if applicable, any plans that may be necessary for the purposes of subsection 20.10.1, the costs of which are deemed Additional Rent and payable by the Lessee or the Homeowners Corporation.

21. DEFAULTS BY SUBLESSEES

21.1 Immediate Danger

- 21.1.1. In the event the default by a Sublessee causes a condition on the Premises that, in the reasonable opinion of the Lessor, constitutes an immediate danger to the environment or human life or health, then upon notice from the Lessor, the Lessee shall forthwith remedy the default in accordance with this Lease, and nothing in this section shall affect or limit the Lessee's other obligations pursuant to this Lease.

22. SURRENDER OF POSSESSION

- 22.1.1. Subject to article 17, when the Term expires or otherwise ends, the Lessee will peaceably surrender the Premises to the Lessor maintained, repaired and renewed as provided in this Lease.

23. INDEMNITY

The Lessee will indemnify and save harmless the Lessor against and from all claims, demands, actions, suits or other proceedings, judgments, damages, penalties, fines, costs, liabilities, losses, and sums paid in settlement of claims, howsoever arising out of or related to any breach of a Lessee's covenant or for personal injury, death or property damage or loss arising out of or related to any act or omission of the Lessee, its officers, employees or agents or any Person for whom the Lessee is responsible. This article will survive the expiration or earlier termination of this Lease.

24. NO WARRANTIES

- 24.1.1. The Lessee acknowledges and agrees that:
- (a) the Lands are being leased to the Lessee by the Lessor on an "as is – where is" basis and the Lessor makes no representations or warranties with respect to the condition of the Lands and in particular makes no representations with respect to compliance of the Lands with any Laws or the presence of Contaminants on, in or under the Lands;
 - (b) it has inspected the Lands and has conducted all independent investigations of the Lands, including, without limitation, any investigations relating to the compliance of the Lands with any Laws and the presence of Contaminants on, in or under the Lands, which it has deemed prudent prior to taking possession of the Lands; and
 - (c) it has not relied on any representations or warranties by the Lessor, the Band, or any member of the Band with respect to the condition of the Lands, including, without limitation, the compliance of the Lands with any Laws and the presence of Contaminants on, in or under the Lands.

- A. I am in lawful possession of the Lands, as defined in the lease to be entered into between Canada and Stelkia Limited Partnership (the "Lessee"), dated for reference October 8, 2010, a copy of which was provided to me by my solicitor (the "Lease");
- B. I applied for the Lease to be granted for a term of 99 years at a nominal rent of \$100.00;
- C. I read and understood all the terms and conditions of the Lease;
- D. I was advised by Indian and Northern Affairs Canada to respectively seek independent legal and independent financial advice before signing this document.
- E. I declare that I have obtained independent legal advice from my own solicitor, Barry Porrelli of Westbank, British Columbia prior to signing this consent as certified by a Certificate of Independent Legal Advice to be provided;
- F. I have obtained independent financial advice from Grant Thornton of Kelowna, British Columbia prior to signing this Consent as certified by a Certificate of Independent Financial Advice to be provided to Canada;

Despite these differences, I want Canada to lease the Lands to the Lessee on the terms of the Lease because I am a limited partner of the Lessee, and as such I will receive financial benefits from the development of the Lands which I expect will amount to at least \$ 4,615,000.

I REQUEST that Canada enter into the Lease with the Lessee.

Agreement dated _____

APPENDIX “D”

SUBLEASE CONSENT AGREEMENT

THIS AGREEMENT is effective as of <MONTH DAY, YEAR>,

BETWEEN:

HER MAJESTY IN RIGHT OF CANADA, as represented by the Minister of Indian Affairs and Northern Development, <ADDRESS>

(the “**Lessor**”)

AND:

<SUBLESSEE’S NAME>, <ADDRESS>, British Columbia corporation number
<insert incorporation number>

(the “**Sublessee**”).

BACKGROUND

- A. At the request and with the consent of the Osoyoos Indian Band (the “**Band**”) Jane Stelkia (the “**Landholder**”), the Lessor leased certain lands in the Osoyoos Indian Reserve No. 1 to Stelkia Limited Partnership (the “**Lessee**”), pursuant to a commercial ground lease dated for reference October 8, 2010 (the “**Lease**”) and registered in the Indian Lands Registry under No. _____;
- B. The Lessee wishes to grant a sublease (the “**Sublease**”) to the Sublessee, which Sublease is attached as Schedule “A” to this consent agreement; and
- C. Under the Lease, the Sublease is not valid unless the Lessor has provided prior written consent to it.

NOW THEREFORE, in consideration of the Lessor’s consent and the payment of \$10 from the Sublessee to the Lessor, the parties agree to the following:

1. THE SUBLEASE

1.1 Lessor’s Consent

1.1.1. The Lessor consents, on the terms of this agreement, to the Sublease. This consent will not be deemed to:

- (a) approve of the form or any of the terms of the Sublease; or

- (b) ensure that the Sublease can be registered in the Registry or the provincial land title office.

1.2 Validity of Sublease

1.2.1. Despite the Lessor's consent to the Sublease, the Sublease is not valid unless:

- (a) it ends before the last day of the Term;
- (b) it expressly terminates upon the early termination of the Lease;
- (c) it is expressly subject and subordinate to the Lease and to the rights of the Lessor under the Lease;
- (d) it is consistent with the terms of the Lease and will not cause the Lessee to breach a term of the Lease;
- (e) it is registered in the Registry;
- (f) it expressly provides that the Sublessee will not in any way use the subleased portion of the Premises for a Project until the Sublessee, at its own expense, has obtained consent from the Minister to proceed with such Project, such consent to be granted in compliance with the environmental review process set out in the Lease; and
- (g) it expressly provides that the Lessor and the Lessor's officials, employees, servants, agents, contractors, and subcontractors may enter the subleased lands at any time during reasonable hours for the purpose of ensuring the implementation of the mitigation measures and Follow-up Program referred to in the Lease.

1.2.2. If the Minister determines that a Project of the Sublessee should not proceed under the environmental review process established in the Lease, then the Lessor is in no way responsible to the Sublessee for the inability of the Sublessee to use the Premises as anticipated, or otherwise; the Sublessee releases the Lessor from any such liability.

1.2.3. Without limiting paragraph 1.2.1(b), the Sublessee waives any statutory or common law rights that it may have allowing the Sublessee to keep the unexpired term of the Sublease or remain in occupation of any part of the Premises if the Lease ends before the expiration of the Term.

1.3 Representations

1.3.1. The Sublessee represents and warrants to the Lessor that the person or persons signing this agreement on the Sublessee's behalf have the authority to bind the Sublessee to this agreement.

1.3.2. Notwithstanding anything else contained in this agreement, the Sublessee confirms that the Lessor, or the Lessor's officials, employees, servants, agents, contractors, or

subcontractors, the Band, the Council, or any member of the Band have not made any representations or warranties with respect to:

- (a) the terms of the Lease;
- (b) the terms of the Sublease;
- (c) the suitability of the subleases premises for any particular use; or
- (d) the condition of the Premises (including, without limitation, compliance of the Premises with any Laws or the presence of Contaminants in, on, or under the Premises).

The Sublessee has not relied on any such Person in this regard.

2. GENERAL

2.1 No Merger

2.1.1. The Lease will survive the execution of this agreement and not merge in this agreement.

2.2.1. Any terms not defined in this agreement but defined in the Lease have the same meanings that are given to them in the Lease.

2.3 Headings

2.3.1. All headings are for convenience and reference only. They are not to be used to define, limit, enlarge, modify, or explain the scope or meaning of any provision.

Schedule "A" to a Sublease Consent
Agreement dated _____

APPENDIX "E"

MORTGAGE CONSENT AGREEMENT

THIS AGREEMENT is effective as of <MONTH DAY, YEAR>.

AMONG:

HER MAJESTY IN RIGHT OF CANADA, as represented by the Minister of Indian Affairs and Northern Development, <ADDRESS>

(the "Lessor")

AND:

<MORTGAGEE'S NAME>, <ADDRESS>, a bank under the *Bank Act*, S.C. 1991, c. 46

(the "Mortgagee")

BACKGROUND:

- A. At the request and with the consent of the Osoyoos Indian Band (the "**Band**") Jane Stelkia (the "**Landholder**"), the Lessor leased certain lands in the Osoyoos Indian Reserve No. 1 to Stelkia Limited Partnership (the "**Lessee**"), dated for reference October 8, 2010 (the "**Lease**") and registered in the Indian Lands Registry under No. _____;
- B. The Lessee wishes to mortgage its interest in the Lease to the Mortgagee by way of the proposed mortgage attached as Schedule "A" to this Agreement (the "**Mortgage**"); and
- C. Under the Lease, the Mortgage is not valid unless the Lessor has provided prior written consent to it.

NOW THEREFORE, in consideration of the covenants and consent in this Agreement, the parties agree as follows:

1. THE MORTGAGE

1.1 Lessor's Consent

- 1.1.1. The Lessor consents, on the terms of this agreement, to the Mortgage as it affects the Lease. This consent will not be deemed to:
 - (a) approve of the form or any of the terms of the Mortgage; or
 - (b) ensure that the Mortgage can be registered in the Registry or the provincial land title office.

1.2 Lessor's Representations

- 1.2.1. The Lessor represents and warrants that, to the best of the Lessor's knowledge but with no investigation on the part of the Lessor, the Lease is in good standing as of the date of this agreement.
- 1.2.2. Despite anything else contained in this agreement, the Lessor makes no representations or warranties with respect to the state of title to the Premises or matters contained within the Registry.

1.3 Mortgage Does Not Affect Lessor's Rights

- 1.3.1. Except as provided in this agreement, the Mortgage is subject to the Lessor's rights under the Lease.

1.4 Notices to Lessee

- 1.4.1. The Lessor will deliver to the Mortgagee copies of any default notices under the Lease and the Mortgagee may cure the default within the period specified in the notice on behalf of the Lessee.
- 1.4.2. The Lessor will deliver to the Mortgagee copies of any cancellation notices under the Lease.

1.5 Breach of this Agreement or Mortgage

- 1.5.1. The Lessor may consider a breach of this agreement to be a breach of the Lease.
- 1.5.2. If the Lessee is in default under the Mortgage, the Lessor may cure the default on behalf of the Lessee.

1.6 Mortgagee's Covenants

- 1.6.1. The Mortgagee will ensure that the Mortgage does not conflict with the Lease or, by the Lessee complying with the Mortgage, cause the Lessee to breach the Lease.
- 1.6.2. The Mortgagee will be bound by the Lessee's covenants in the Lease until the Lease is assigned in accordance with the provisions of the Lease if the Mortgagee takes:
 - (a) possession of the Premises; or
 - (b) any action (including, without limitation, appointing a receiver or receiver-manager, but not including curing a monetary default of the Lessee prior to taking possession) to enforce the Mortgagee's security under the Mortgage.
- 1.6.3. The Mortgagee's obligations under this section end on the last day of the month of the date on which the Mortgagee assigns its entire interest in the Lease in accordance with the terms of the Lease, but a release of the Mortgagee's obligations under this section does not release any obligations of the Lessee.

- 1.6.4. On enforcing its security under the Mortgage or taking possession of the Premises, the Mortgagee will not cause or permit any assignment or sublease of the Mortgagee's interest in the Lease without the prior written consent of the Lessor, which consent will not be unreasonably withheld; any assignment or sublease must be in accordance with the provisions of the Lease.
- 1.6.5. The Mortgagee will ensure that the Mortgage provides that the proceeds of all insurance policies with respect to the Premises will be used solely for repairing, replacing, restoring, or reconstructing the Premises as set out in the Lease.
- 1.6.6. When a debt no longer exists over which the Mortgage is given as security, the Mortgagee will sign a discharge of the Mortgage and register the discharge in the Registry.
- 1.6.7. The bankruptcy or insolvency of the Lessee will not be used by the Mortgagee to give the Mortgagee any greater rights or advantage over the Lessor that the Mortgagee would not otherwise have had under this agreement.
- 1.6.8. The Mortgagee will not assign or otherwise transfer its interest in this agreement or the Mortgage without the prior written consent of the Lessor, which consent will not be unreasonably withheld.
- 1.6.9. The Mortgagee represents and warrants to the Lessor that the person or persons signing this agreement on the Mortgagee's behalf have the authority to bind the Mortgagee to this agreement.
- 1.6.10. If the Mortgagee takes possession (including the appointment by the Mortgagee of a receiver or receiver manager of the Premises) of the Premises or acquires the Lessee's equity of redemption then the Mortgagee will perform and observe all the Lessee's covenants and agreements under the Lease and recognize the rights of the Sublessees and a Homeowners Corporation, if any, to use and enjoy all Common Facilities, until either the Mortgagee ceases to be a mortgagee in possession, the receiver or receiver manager of the Premises ceases to be in possession or the Lease is assigned in accordance with the provisions of the Lease.
- 1.6.11. In connection with the issuance of each Sublease, the Mortgagee will provide the Lessee with a Partial Discharge and Sublease Acknowledgment as it relates to such Sublease, it being acknowledged that the delivery of such Partial Discharge and Sublease Acknowledgment will be subject to the Mortgagee's receipt of an amount agreed upon by the Mortgagee and the Lessee for such Partial Discharge and Sublease Acknowledgment and that the Mortgagee shall have a reasonable time after receipt of such amount to execute and deliver the Partial Discharge and Sublease Acknowledgment.
